Terms and Conditions

**Consent in relation to your personal data**

By clicking the box to accept these terms and conditions you are agreeing to provide your explicit consent to the following:

- 1) Your personal information, including information relating to your health, will be held in our clinical trial management system provided by Advarra Inc. Advarra are a USA based company. Your information will be stored in the EU, but may be accessed by Advarra, in order to provide support to our employees using the system and for maintenance of the software. Although we have taken measures to protect your personal sensitive data as much as we can, you should be aware that the USA does not provide the same level of rights in relation to your personal data as in the UK or the EEA. By providing your explicit consent, you acknowledge that you understand and accept this risk.
  
- 2) You consent to us sharing your relevant personal data with our study sponsor companies for the purpose of assessment of your potential participation in future studies.

If you choose not to provide your consent to the above we cannot progress your application to participate in our studies.

If you do provide your consent now, and you choose to exercise your right to withdraw your consent in the future, this will mean that you will no longer be able to participate in our studies. If you wish to withdraw your consent at any time in the future, you can do so by contacting 0141 948 0206

You can find out more about how we handle your personal data on our Privacy Policy on our website <https://glasgowmemoryclinic.com/privacy-policy/>
